)
Appellant.) Filed: June 21, 2016

Jill Barden (Wife) appeals from the judgment of the Circuit Court of St. Louis County modifying Theodore Barden's (Husband) child support and maintenance obligations. In her first point on appeal, Wife argues that the trial court erred in using stale evidence when it determined Husband's maintenance and child support obligations. In Wife's second point, she alleges that the trial court exhibited "extreme bias" against her.

REVERSED AND REMANDED

Division Two Holds:

- (1) The trial court erred by failing to consider evidence of the parties' current finances when determining the proper maintenance award to Wife.
- (2) Wife's second point is dismissed due to her failure to comply with Rule 84.04(d).
